

# Shell Villages Brisbane River Terraces

NEWSLETTER 1, ISSUE 1

20TH JULY, 2009

## From the Editor

Dear readers,

Welcome to the brand new monthly village newsletter. Each village within the Shell Villages network will have their own respective newsletter which will be sent to residents during the first week of each month. In these newsletters you can expect to find out about what's going on within your village through updates from Natalie Hartley, your village manager. Natalie will be covering topics from construction work within the village, to various up-and-coming social events, to introducing new residents and much more. She will also use the newsletter as a medium through which to communicate with all residents about what she requires of you with regard to general maintenance issues, etc. If you have any feedback about the newsletter, please don't hesitate to email us on the address listed below.

Kind regards,  
Lauren Grimson

## Update from Your Village Manager, Natalie Hartley

Dear residents,  
I hope that you are all keeping toasty warm through these cold nights and windy days. As you may have noticed the tractor has been taken away for repair hopefully it will be back soon so we can keep the river walk and back land maintained. I have also submitted photos and info from our last flood to council about the rocks, mess and water that is left after heavy rain and I will keep you posted on the outcome with council on this matter. I would also like to apologise for any inconvenience with the internet, we are doing our best to get

the service back up and running and I will let you know as soon as we have it sorted. Many thanks to the residents who volunteer their time to maintain the golf course and other areas of the village, it is very much appreciated. Once again, keep warm and well.

Kind regards,
